### Упр. 23, стр. 69

A friend in need is a friend indeed.

Друг в беде — настоящий друг.

Друзья познаются в беде.

Не бросай друзей в беде.

Счет дружбы не портит. Счет дружбе не помеха.

Друг другу терем ставит, а недруг недругу гроб ладит.

Не давай денег, не теряй дружбы.

Как друг по конец рук. Этот друг и сам без рук.

В недруге стрела, что во пне, а в друге, что во мне.

Другу дружи, а другому (а недругу) не груби.

Был я у друга, пил я воду слаще меду.

Для друга все не туго (не тяжело и не скудно).

Больше той любви не бывает, как друг за друга умирает.

Друг до поры — тот же недруг.

Без друга — сирота; с другом — семьянин.

Друзей-то (приятелей) много, да друга нет.

Друг и брат великое дело: не скоро добудешь.

Нет друга, так ищи: а нашел, так береги.

Без беды друга не узнаешь. Друг познается в несчастьи.

Друга узнать — вместе пуд (куль) соли съесть.

Старый друг лучше новых двух.

Новых друзей наживай, а старых не утрачивай.

Не держи сто рублей, держи сто друзей.

Доброе братство милее богатства.

Друг денег дороже. Друга на деньги не купишь.

Dear Ben,

There *are* a lot of guests on my farm this summer. They *speak* different languages. But we *understand* and *get* along with each other well. The weather *is* fine. My guests *walk, swim* and *play*. Tomorrow they *will ride* horses.

In the morning a girl from Italy often *sings* songs for us. A boy from Canada *paints* wonderful pictures every afternoon. Yesterday he *drew* my portrait. Three days ago we *visited* Hobbit. He *was* hospitable and polite. He *made* jokes and *told* us about his new magazine. Hobbit *will send* you this magazine in a week. When *will you come* to see me?

Your friend Miss Chatter

P.S. My best regards to your mother. Please write back.
